MEMORANDUM FOR: Chief, Logistics Services Division, OL

John:

I have just seen the first report on the new secure storage wall equipment. When I first saw an item on this in the Office of Logistics Activity Report for the week ending 13 September it occurred to me that it might be of interest to [REDACTED] in his Fine Arts Commission role related as it would be to office decor. I now understand you may have a display set up in LSD next week. If so, would you please get in touch with [REDACTED] and invite him to come down and take a look.
